

THE NORTHERNAIRES PERFORMANCE HISTORY

The Northernaires Drum & Bugle Corps was formed in **1953** under the name and sponsorship of the **D.A.R. Boys Club of Menominee, Michigan**. The All-Boy corps, ages 13 to 18, first started out performing at parades in **1954** and first appeared on the field in competition in **1956**. After a naming contest in **1957**, the name was changed to **The Northernaires**. After **1959**, the age requirement was 13 to 21.

From **1956** through **1968** the corps has appeared in **135** contests, winning **51** of those and gaining 2nd place in **51**. Of the remaining contests, the corps has placed in 3rd or less.

The Northernaires have won **(7) Upper Michigan American Legion Championships, (3) Michigan American Legion State Championships, (4) Michigan VFW State Championships, and (4) Wisconsin AMVETS State Championships**. There was also a run of **six** straight years without a loss in every **Michigan** contest appearance. The corps also had a winning Jr Color Guard which was won **(1) Upper Michigan American Legion Championship, (4) Michigan American Legion State Championships, and (4) Michigan VFW State Championships**. **The Northernaires** are the only corps to hold both the **Michigan State Jr. Drum & Bugle Corps and Jr. Color Guard** titles! **The Northernaires** also appeared in **four (4) Green Bay Packers NFL football game halftime shows**.

The Northernaires also had a feeder corps called **The Northernlites** which was started in **1962** and was active until **1972** and then later revived in **1983** through **1985**. **The Northernlites** provided drum corps experience to those aged 9 -12 to perform at local parades and at the local **"Drums In The North"** field show.

In **1970**, **The Northernaires** allowed girls into the corps and the following year placed 8th in the **1971 American Legion National Championship in Houston, Texas**. The corps also appeared in the first **1972 DCI World Championship in Whitewater, Wisconsin** taking 32nd place and also appeared in the **1973 DCI World Championship** finishing 44th.

In **1974**, **The Northernaires** did not field a corps. In **1975** an attempt was made to put together an "All Male" senior corps but it did not materialize. The corps did field a competitive summer guard. In **1976** the corps was renamed **The Shoreliners All-Girl Drum & Bugle Corps** after a merger with **The Patriots Drill Team** from **Marinette, WI**. The new corps performed mainly in parades. In **1977**, **The Shoreliners** allowed boys back in and appeared on the field in exhibition for the local **"Drums In The North"** contest held in **Marinette, Wisconsin**. **The Shoreliners** also appeared in many judged parades and exhibitions and appeared at the **1977 Michigan American Legion Championship in Lansing, Michigan**. Also in **1977**, **The Shoreliners** sponsored a competitive winter color guard which appeared in many **WGI and Midwest Color Guard** shows throughout the Midwest.

In **1978** the corps changed its name back to **The Northernaires** and performed mainly in parades. In **1980**, a small group of **Northernaires** alumni performed as a color guard in local parades. The junior corps saw a rebound in **1982** with a large corps again and competed in many regional parades. In **1983** **The Northernaires** performed at many judged parades and also appeared in an exhibition in a contest

held in **Iron Mountain, Michigan**. The corps fielded about 60 members. The **1983** corps also sponsored a competitive winter color guard in the **WGI** and **Midwest Color Guard** circuits.

In **1984**, **The Northernaires** merged with **The Royal Knights Drum & Bugle Corps** from **Manitowoc, Wisconsin** to get back on the field in competition and appeared in several **DCM** and **DCI** contests throughout the Midwest. The corps gained several 2nd and 3rd places or less in 15 contests and placed 18th place in the **1984 Drum Corps Midwest Championship** held in **DeKalb, Illinois**.

In **1985**, **The Northernaires** joined the **Drum Corps Midwest (DCM)** circuit and developed a field show to attempt to go back on the field as **The Northernaires**. But due to inconsistent practice attendances, the corps was unable to do so and opted to perform in parades only.

After the **1985** season, the corps organized as an alumni group and performed an exhibition for the **1986 & 1987 "Drums In The North"** contests in **Menominee, Michigan**. **The Northernaires** went inactive again from **1988** to **1992** and later reappeared in winter color guard competitions in the **WGI** and **Michigan Color Guard** circuits from **1993** to **2001**.

In **1992** several **Northernaires** alumni decided to get a group together and march in the **Menominee, Michigan, Waterfront Festival** parade. Since then the group has added performing a standstill in the festival area after the parade and also invited several local senior and alumni corps like the **Ishpeming Blue Notes**, **Ontonagon Mountaineers**, and **Bessemer's Marty's Goldenaires** to join them since **1999**.

In **1999** **The Northernaires** organized a senior corps with the intent of joining **DCA & DCM** to become a competitive field corps again. After one year of marching parades, the senior corps concept fell through although the alumni corps has maintained success.

In **2009** **The Northernaires** became a founding member of the **Small Drum Corps Association (SDCA)** which was created to provide small drum corps a venue to perform a show indoors in arenas or basketball courts. The **Arena Corps** show can also be done on football fields between the 30 yard lines and mid-field. The corps hosted the first ever **SDCA** show with the return of the **"Drums In The North"** contest in **Menominee, Michigan**. The **SDCA** show is unique in that it uses an **Audience Choice Award** given to the top two performers selected by the audience through cell phone text messaging (another drum corps first). The shows are also judged but for comments only. The corps performed a full field show at its home show and in other contests in **Fond du Lac, WI** and **McHenry, IL**. The corps won **first place** in the show at **Fond du Lac** and placed second at **McHenry**.

The Northernaires continue to sponsor an alumni corps and perform at the annual **Waterfront Festival** parade and concert in **Menominee, Michigan**. The annual festival is looked forward by many as a reunion to be with many friends and relatives and to be able to perform again in front of thousands.

The Northernaires is under the umbrella of **The Northernaires Music and Marching Groups, Inc**, a **non-profit 501(c)(3) corporation**, and has been continuously operating since **1953** and will be celebrating its **58th year** in **2011**. The corps stays financially alive through private donations and had once operated a bingo from **1973** until **2001**.

The historical performances and scores were compiled from several drum corps publications, internet and newspaper articles. Some performance appearances are based from interviews with alumni and from my personal experiences. The list is only partial and is a living document which will be updated occasionally.

I hope you enjoy reading and may this bring back great memories!

Chris Wellner - Northernaires Alumnus

1977 – 1984 Jr Corps

1993 - ? Alumni Corps

2009 - ? Arena Corps

1954 Performances

Repertoire: “Drum & Bugle Glory”, “Them Basses”, “Onward Christian Solders”, “Masses In The Cold Cold Ground”, “Red Sails In The Sunset”, “Anchors Away”

Note:

The corps first year under the sponsor’s name **D.A.R. Boys Club – Menominee, MI** (all boys). Mick Pichette is the first boy to sign up.

Uniforms are boy scout olive green shirt and pants, butcher cap, leggings, and spats on black shoes.

Bugles are Slingerland brand, single valve in key of G. Drums are wooden with dark brown finish. No color guard except for American Flag squad and D.A.R. squadron banner.

7.	Northernaires Color Guard	Exhibition

Note: * Place unknown

1976 Performances

Repertoire: “Shenandoah”, “Romeo & Juliet (R&J)”, “Toilet Bowl (TB)”

Note:

The Northernaires combine with **The Patriots Drill Team** – Marinette, WI, and reorganize as **The Shoreliners All-Girl Drum and Bugle Corps**. New corps colors are Powder Blue, Blue, & White and wear blue Aussie Hats. Corps buys new 2 valve soprano bugles. Other bugles are still piston/rotor. Chrome drums are borrowed from the **Munising Castle Rangers** except for the bass drums.

1976 UP Music Clinic – Ishpeming, MI

The music clinic is sponsored by the Blue Notes, to acquaint the UP corps to different music, styles, rehearsal procedures, and instructional techniques. Also attending are the Castle Rangers, the Marquette Majestics, and Ironwood Blue Knights. This is the second of three such trainings for the Shoreliners.

May, 1976 – Memorial Day – Menominee, MI

Parade

July 4, 1976 – Independence Day – Menominee, MI

Parade

1977 Performances
